Enslavement

999

Level 4. This spell prevents you from going against the will of your master. You may not act in any way that would directly harm your master, including speaking ill of them. You also may not act in any way that would work towards revealing that you are ensorcelled (you must attempt to resist magical searches from anyone other than your master).

Identity Protection

999

Level 4. This spell prevents you from revealing the identity of your master. You may not act in any way that would work towards revealing their identity, including speaking ill of them. This includes identifying them by omission, radically changing the way you react to them, or other roleplaying tricks (you are bound by the spirit of this powerful effect).
